Re: C00366419, Nebraska Leadership Pac

As per my message, we continue attempting to upload an amendment without success (see attached). We will continue to work with our vender and discuss the situation with your tech support department. We are assured that the problem is not on our end because we are able to upload our reports. As you know, this is not the first time this has happened. I will contact you after we talk to tech support. Meanwhile, I wanted you to have the amendment in written form (see attached).

Thank you
